DOCS 23 & 36 in VEASEY v PERRY TXSD 2:13cv193 are letters from me. I suggest a 2nd ballot by limited voting for the Texas State House with candidates on the limited voting ballot in about two or three districts beyond their own to loosen winners ties to liars and fellow travelers, inhibit tyranny and promote turnover.

DOJ objected to HASKELL CISD's figures cumulative voting/ staggered terms. I want details. See Doc 30 page 45 of 83 in this suit with appx. DOJ objected to Andrews, same.
